Financial Resources

The EAP can help you manage your financial life and provide you with personalized guidance so you can successfully achieve your financial goals, overcome challenges, and be better prepared for life events.

Speak with a Financial Professional

Our financial professionals have at least 20 years of experience. The focus is on helping you increase savings, lower debt, improve your credit, and decrease your financial stress. Telephonic consultations are available to save you time and money.

Free Consultation

For financial planning topics, you receive a free initial 30 minute telephonic consultation followed by free phone support for up to 30 days for each new issue. Your spouse or partner can join you during the call.

Call Today

Contact the EAP for a free initial 30 minute consultation and let us help you achieve your financial goals today. To utilize any of the financial services, members simply call the EAP at 800.386.7055 and request referrals to a Financial Professional.
